**SUBJECT MATTER FIELDS**

**Number of Course Titles:** There is a listing of course titles for each major area published each year ( see Table 36). This number is the aggregate of that listing by area.

**Duplicated Count of Students:** If a student is enrolled in more than one course in a major area, the student will be counted for each course.

**Percent of 9-12 Students Enrolled:** This is a ratio of students enrolled in the major areas divided by state fall enrollment for 9-12 grades. The comparison of years shows activities of areas.

## C. MISSOURI SCHOOL TRUST FUNDS

Section 162.790 (5) RSMo., authorizes the State Board of Education to accept grants, gifts, donations, or bequests for the use of the Missouri Schools for the Blind, for the Deaf, and for the Handicapped Children to deposit same in the Schools' Trust Fund in the State Treasury, or to invest such funds in stocks, bonds, deeds of trust, or any other investment securities in the amounts and in the proportions that the State Board of Education prudently selects.

The act further provides that "moneys in the School for the Blind Trust Fund or in the School for the Deaf Trust Fund or the School for the Handicapped Children Trust Fund shall not be appropriated for the support of the schools in lieu of general state revenues but shall not be appropriated only for the purpose of carrying out the object for which the grant, gift, donation, devise, or bequest was made," as recommended by the State Board of Education.

**EARLY CHILDHOOD EDUCATION**

The 1984 Early Childhood Development Act (ECDA) authorizes local school districts to provide annual screening and parent education to families with preschool-aged children. Offered voluntarily and gratuitously to parents, these services are designed to detect and minimize problems that can interfere with children's growth and development and to support parents in their "teaching" role.

Parent Education services are available on an ongoing basis from the third trimester of pregnancy to kindergarten entry. Grouped by developmental stages of their children, parents gather regularly to share parenting experiences and to receive developmental information. Periodic home visits are delivered by parent educators with varying backgrounds; all are required to successfully complete program training. Drop-in play groups, toy and book lending libraries, "warm" lines, newsletters, and information and referral networks are services that meet the varying needs of families.
